Thanks a lot!

Once again, our government has let us, the tax payers, down. You people are supposed to represent we the people! How on earth do you sleep at night. A convicted monopolist is given a slap on the wrist? And we are supposed to take this? 'Awful' doesn't even come close to how I see this. You people in the DOJ should be ashamed of yourselves. For I am ashamed that this is how my government looks out for me. I'm probably wasting my time writing this e-mail, and if, per chance, any of you wish to discuss this with me, please feel free to respond at your leisure. Either by e-mail or snail mail.
